VOL. 35 NO. 41

WASHINGTON C. H., OHIO, WEDNESDAY, FEBRUARY 18, 1920

Fifteen Cents a Week

GOV. COX ALLOWS GARDNER TAX BILL TO BECOME A LAW

Roasts The Legislature in A Statement Issued Deploing New Law.

SEES HIGH TAX RATES

Predicts Results Will Enrage Voters When Taxes Are Increased.

Scores Solons for Failure To Solve Taxation Problems.

(By Associated Press.)

Columbus, O., February 18. — Governor Cox today permitted the Gardner tax bill, authorizing exemption of interest and sinking fund charges from the limitations of the Smith one per cent law when the voters approve such action, to become a law without his approval.

In his statement, the Governor described the act as "the short cut to the purse of home owners." He said it was indefensible and "ought to be vetoed and the legislature called in special session."

"In the consideration of this plan, however," his statement says, "we are reminded that the General Assembly has been in session intermittently for over a year, and judging by what it has failed to do I have not the slightest confidence that it would do anything in connection with present fiscal emergencies if it were again brought into session."

"To have vetoed the measure with the assembly adjourned might result in defalcation on the public debt in some municipalities," said Governor in explaining why he allowed it to become law.

He predicted that tax rates will mount so high as to be staggering, "but the compensation will certainly come in the form of an enraged electorate, which will give vigilant eye to legislative personnel and performance in the future," he added.

The Governor scored the legislature for its failure to solve the taxation problem, charging the failure to "political partisanship."

Unblushingly, chairman and sub-chairmen bosses, major and petty, not only mingled with members of the assembly in violation of the law, said the Governor, "but on occasions without number took place beside the seat of the presiding officers of both houses."

"Private and designing interests whose campaign contributions carried implied obligations found easy access to legislative halls, and when a concrete result was sought discordance and selfishness made agreement impossible—the Gardner bill is the product of that condition."

THREE PERISH

(By Associated Press.)

Providence, R. I., February 18. — Three persons lost their lives in a fire which destroyed the Lorraine Hotel here today with a loss of \$200,000.

PLEASANT MANNER MAKES LADY MARY SOCIAL FAVORITE

Lady Mary Cambridge.

Lady Mary Cambridge, the daughter of the Marquess of Cambridge, has become a great favorite in titled social circles in England because of her pleasing disposition. She is a much sought guest at all the important functions.

CLAIM HARDING MAY NOT APPLY IF HE LOSES OUT

Announcement Follows Veto Of Hopley Bill

Columbus, O., February 18. — That United States Senator Harding may not be a candidate for re-election should he fail to receive presidential nomination at Chicago was predicted by many of the Senator's friends here following Governor Cox's veto of the Hopley bill, which would have permitted Harding to withhold his senatorial candidacy until after the national convention.

SEVEN SAILORS ARE DROWNED

(By Associated Press.)

Washington, February 18. — Five enlisted men were drowned in the sinking of a naval water barge yesterday off the Cuban coast, the Navy Department was advised today, and two others lost their lives in the capsizing of a motor dory from the United States steamship Hovey last Sunday at Harwich, England.

No details of the sinking were given, but Admiral Knapp said a court of inquiry would investigate the sinking of the dory.

BLISS IGNORED

(By Associated Press.)

Washington, February 18. — American troops were sent into Russia and Siberia by President Wilson against the advice of General T. H. Bliss while the general was a member of the allied special war council, General March, chief of staff, testified today before a House committee investigating medal awards.

GIRL IN MINISTRY OF MARINE STIRS PARIS STATESMEN

Mlle. Landry.

Mlle. Landry, daughter of the French minister of marine, has been given a position in the secretariat of the ministry of the marine by her father. Her appointment has created a stir in Paris because of the novelty of a woman holding a public office there. Mlle. Landry has taken degrees in philosophy and law and is considered extremely capable.

MAKE REPLY TO WILSON ON FIUME SQUABBLE

Report Says Objection Raised To Reopen Adriatic Muddle

ASK WILSON FOR WAY

Condition Causing Ultimatum Could Not Be Ignored Is Claimed.

(By Associated Press.)

London, February 18. — The reply of the Supreme Allied Council to President Wilson's note relative to the Adriatic settlement, has been forwarded to Washington by the American Embassy here.

Announcement has been made that the question of making public the text of the reply will rest with Mr. Wilson.

It is understood the communication sent to the American capital objects to a reopening of the Adriatic question. It is said to declare that circumstances existing when Premiers Lloyd George, Nitti and Clemenceau framed the virtual ultimatum to Jugo Slavia in January could not be ignored, and the President, it is asserted, is told the decisions reached last December, to which Mr. Wilson adhered in his note, will be carried out if Mr. Wilson will indicate the way this may be done.

CHANGE REPLY

While reports emanating from Paris to the effect that the council modified and softened the tone of the first draft of this reply to Mr. Wilson are denied, it is said the message handed to Ambassador Davis for transmission to Washington is not identical with the one agreed upon by Premiers Lloyd George and Millerand at their first meeting subsequent to the arrival of the American President's memorandum.

ALLIED REPLY NOT ANNOUNCED

(By Associated Press.)

Washington, February 18. — The reply of the allied supreme council to President Wilson's note was received at the State Department today and decoded as fast as it came in.

It was officially announced that the reply would not be made public at this time, and it was indicated that not even a summary of it would be given out.

NEW AUTO TAX LAW UPHOLD

(By Associated Press.)

Columbus, O., February 18. — Affirming the Franklin county common pleas court the Appellate court today held the new graduated automobile tax law constitutional.

The constitutionality of the law was attacked by the Ohio Auto Association. The case, it is said, will be carried to the supreme court.

MISSIONARY IS DEAD

Boston, February 18. — Rev. J. H. Pettie, missionary to Japan for more than 40 years, died suddenly at the offices here of the American Board Commissioners for Foreign Missions. Dr. Pettie came home on a furlough about a year ago.

OFFERS TO LET SCIENTISTS SHOOT HIM UP TO MARS

Capt. Claude R. Collins.

The dapper young chap above, Capt. Claude R. Collins, president of the aviators' club of Pennsylvania and international licensed pilot, has volunteered to attempt the trip to Mars in a rocket. Prof. Robert H. Goddard of Clark college is said to have perfected a multiple-charged, high-efficiency rocket, which he believes can be shot into the unknown regions and possibly to other planets. Collins would make the trip in the rocket in the hope of obtaining valuable scientific data.

TREATY DEBATE IN THE SENATE IS IN MUDDLE

Most Ardent Ratificationists See No Hope of Settlement

Situation Grows More and More Complex As Debate Proceeds

(By Associated Press.)

Washington, February 18. — Progress in the peace treaty ratification fight was not visible today after two days' vigorous debate since the treaty was brought back from committee to the floor of the Senate.

In fact the situation apparently was so muddled that even the most ardent ratificationists seemed disheartened over the prospects of settlement.

M'ADOO INSISTS NAME WILL NOT BE ON BALLOTS

Hopes Delegates to Democratic Convention Will be Uninstructed.

(By Associated Press.)

New York, February 18. — William G. McAdoo announced today he would not permit his name to be used on presidential primary ballots in the various states and that he advocated the sending of uninstructed delegates to the democratic national convention.

He said he believed the highest contest in the country could best be obtained if the "national interest is not submerged in a contest of individual ambitions."

Denikine Told of Stand Novorossisk, Caucasus, February 17 (By the Associated Press). — Rear Admiral Newton A. McCully, representing the United States with the anti-Bolshevik forces in South Russia, has informed General Denikine, anti-Red leader, that United States had not adhered to the decision of the Supreme Council in Paris recognizing independence of the Georgian and Azerbaidjan Republics.

PLAN TO CONTINUE PRESENT RAIL WAGE TO SEPTEMBER 1ST

TO REJECT BIDS MADE ON FORMER GERMAN VESSELS

Shipping Board Decides For American Charter

Wants To Re-Offer All Former Hun Liners

(By Associated Press.)

Washington, February 18. — Rejection of all bids received for the thirty former German passenger ships offered for sale by the Shipping Board was recommended to the Senate Commerce Committee by Chairman Payne of the Shipping Board, who asked authority to renew negotiations for sale of the vessels for operation under the American flag.

PLANS TO ABOLISH SUB-TREASURIES TO CUT EXPENSE

Lop \$18,000,000 From Legislative Appropriation Bill

(By Associated Press.)

Washington, February 18. — Abolishment of the nine sub-treasuries, the offices of 13 state surveyors general and two assay offices is proposed in the legislative appropriation bill reported today by the House appropriations committee.

A reduction of \$18,000,000 from department estimates for clerk hire and miscellaneous expenses was made but the bill's total of \$194,120,000 is one of the largest peace time legislative appropriations on record.

ACTS AS SPECIAL ATTORNEY GENERAL IN NEWBERRY CASE

Judge W. H. Eichhorn.

Judge W. H. Eichhorn, special judge in the famous Indianapolis election fraud case in which 150 men were indicted, is assisting the government in the trial of Senator Truman H. Newberry and 124 others charged with fraud in the senatorial campaign Newberry waged while defeating Henry Ford.

Surprise Manifested in Provision Inserted in Railway Bill

WILL NOT CHANGE RATES

Recent Demands For Increased Pay Causes Interest in Change.

If Passed Will Not Permit Wage Change For Six Months

(By Associated Press.)

Washington, February 18. — Wages established by the Railroad Administration during the war would continue in effect until September 1st under the railroad reorganization bill the conference report on which was presented today in the House and Senate.

Under the wage provision the redrafting of which created more surprise in Congress than any other changes made in compromising the Esch bill of the House and the Cummins bill of the Senate, pay of railroad workers would be stabilized at the present levels for six months after the rail properties are returned to private control and operation.

The bill as reported today also seeks to stabilize rates for the same time, providing that prior to September first no rates may be reduced unless approval of the Inter-State Commerce Commission is obtained.

The restriction of wage increases was looked upon with special interest by union leaders, congressmen and railroad officials in view of the recent demands for an advance in pay.

President Wilson, in supporting the contention that no increases could be granted on the eve of return of the railroads, told the Union leaders their demands would be considered by a commission to be created by law if such a provision was included in the railroad bill or to be appointed on his own initiative if no legal provision were made.

CIVIL SERVICE LAW EFFECTIVE EXEMPTS MANY

Civil Service Officials Say Will Nullify Work

(By Associated Press.)

Columbus, O., February 18. — The Liggitt civil service bill exempting all soldiers, sailors, marines, Red Cross nurses and yeomanettes from civil service examinations for appointments to positions, became a law today by lapse of time, Governor Cox refusing to sign or veto it.

State civil service commission officials declared the bill would virtually nullify the civil service work in Ohio if it were allowed to stand.

BOOST FOR TEACHERS NEAR

Youngtown, Ohio, February 18. — Teachers will receive a wage increase of from 20 to 30 per cent depending upon the amount available under the new state tax law, it was announced Tuesday by the Finance Committee of the Board of Education.

Notice to the Farmers

We wish to announce our price on Sweet Corn
for the season of 1920. We will pay \$17.00 per ton
for Sweet Corn delivered at our factory at Wash-
ington C. H., Ohio.

We will furnish you Stowell's Evergreen Seed,
testing 92 to 98 percent. We will be better equip-
ped than ever before to handle the corn, and have
under construction a new building with a storage
capacity of two hundred tons, also installing a
corn-dump capable of unloading wagons or trucks.

You as producers, and we as manufacturers
realize what delays mean in the conduct of our busi-
ness. Our relations are mutual and co-operative.

Our field inspector, Mr. Harry A. Hyer, is
ready to accept contracts for Corn Acreage and will
call on you. Our Factory office is equipped with
both phones and open day and night. Our up-town
office is located with the Edgar Snyder Insurance
Agency.

To those who have listed for acreage before an-
nouncement of the price, wish to say, contracts are
being mailed to you today.

The Sears & Nichols Canning Company
H. J. Bliss, Manager.

ANNUAL BANQUET SOON TO BE HELD IN MEMORIAL HALL

Within a short time—the exact date
to be announced within a few days,
the annual banquet of the Fayette
Fish and Game Protective Association
will be held, this time at Memorial
Hall, where two floors of the building
will be devoted to taking care of the
big crowd of members who will at-
tend.

Plans call for the biggest and best
banquet of the series, and the first
table will be seated about 5:30 in the
evening, while those not eating at
the first tables will be entertained
by 6,000 feet of the moving pictures
of the Fish and Game department of
the state, which have been attracting
widespread interest throughout the
state, and are very instructive, in-
teresting and entertaining. The first
table diners will see the pictures

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands
since Dr. Edwards produced Olive
Tablets, the substitute for calomel. No
gripping results from these pleasant
little tablets. They cause the liver
and bowels to act normally. They
never force them to unnatural action.
Dr. Edwards' Olive Tablets are a
soothing, healing, vegetable compound
mixed with olive oil.

If you have a bad taste, bad breath,
feel dull, tired, are constipated or
bilious, you'll find quick and sure re-
sults from Dr. Edwards' little Olive
Tablets at bedtime. 10c and 25c a box.

MUSTEROLE—QUICK RELIEF! NO BLISTER!

It Soothes and Relieves Like
a Mustard Plaster Without
the Burn or Sting

Musterole is a clean, white oint-
ment, made with the oil of mustard.
It does all the work of the old-fashioned
mustard plaster—does it better and
does not blister. You do not have to
bother with a cloth. You simply rub
it on—and usually the pain is gone!

Many doctors and nurses use Musterole
and recommend it to their patients.
They will gladly tell you what re-
lief it gives from sore throat, bron-
chitis, croup, stiff neck, asthma, neu-
ralgia, congestion, pleurisy, rheuma-
tism, lumbago, pains and aches of the
back or joints, sprains, sore muscles,
bruises, chilblains, frosted feet, colds
of the chest (it often prevents pneumonia).

20c and 60c jars; hospital size \$2.50.

while the others are dining at the sec-
ond table.

The big banquet will be spread on
the top floor and the pictures shown
on the second floor, where speeches
and a social hour also will be fea-
tures.

Plans are made for a much better
system in checking hats and coats to
avoid the confusion that has resulted
in the past years because of inade-
quate facilities for handling hats and
coats.

The banquet probably would have
been held before this but the due ban-
quet interfered with the plans, and now
the banquet will be held on the first
date the pictures are available for ex-
hibition here.

WILL LIFT FLU BAN SATURDAY

The flu ban will be lifted Satur-
day morning, and after that time
public gatherings of all kinds will
be permitted, with picture shows
operating Saturday afternoon and
night and thereafter as usual,
church services Sunday, and
schools to resume on Monday fol-
lowing.

This announcement is made by
the Health Board, which, through
Health Officer Byron, has been
keeping in close touch with the
influenza conditions, and the im-
provement has been so great that
decision has been reached to lift
the ban in the belief that the
epidemic is broken.

Only a few new cases have been
reported each day, for several
days, while at the beginning of
the epidemic early this month the
new cases daily aggregated as
high as 125.

LARGE AMOUNT OF CORN TO HUSK

An unusually large amount of corn
remains to be husked in Fayette
county, and farmers state that the
fodder is so badly frozen that it is
necessary to use a mattock or heavy
hoe in order to loosen the stalks so
that they can be removed.

Considerable corn has spoiled as
result of the unusual weather condi-
tions since corn was placed in the
shock last fall.

AFTER FISH FOR FAYETTE STREAMS

Application has been made to the
Federal Bureau of Fisheries, at Wash-
ington, D. C., for a large consignment
of fish for Fayette county streams, and
indications are that early in the spring
the shipment will reach this city and
be distributed throughout the county.

Distribution from the State Hatch-
ery also is expected within the next
three months.

NOTICE

Words fail us in expressing our
appreciation to the kind people of the
city and community at large for their
many kindnesses during our sickness
with the influenza. We might men-
tion the names of those who were
exceptionally kind, but in order to
pay our respects to everybody, we
shall only say we thank everybody.

Dr. Rowe's services were faithfully
performed and his careful treatment
was more like a parent than a physi-
cian.

Now All You Good Fellows, Come Fill Up Your Pipes

The Velvet tin
is twice as big
as shown here

If ever men are "Tom" and "Bill" to each other,
it's when good pipes are a-going. If ever good
pipes go their best, 'tis when Velvet's in the
bowl.

For Velvet is a mighty friendly smoke.
Kentucky Burley is the leaf that Nature made
for pipes. Wholesome and hearty, honest as
the day. And Velvet is that same good Burley leaf,
brought to mellow middle age.

For eight long seasons Velvet "meditates" in
wooden hogsheads, throwing off the rawness of
"young" tobacco—truly "ageing in the wood." Out
Velvet comes—cool, calm and generous—the tobacco
Nature made good, kept good and made better.

Velvet's sweetness is the sweetness of good
tobacco, not "put on" like "frosting" on a cake. Its
mildness comes from natural ageing, not from having
the life baked out. Its fragrance is true tobacco fra-
grance, not a perfume. And Velvet makes an A
Number One cigarette. Roll one.

As good old Velvet Joe says:

"Fill yo' heart with friendly thoughts,
Yo' mouth with friendly smoke—
An' let the old world wag."

Ford

THE UNIVERSAL CAR

Most of the Gas Companies throughout the country use fleets of
Ford Runabouts. The same is true of other big corporations. The
reasons are very practical. The Ford Runabout is the most econom-
ical solution of quick transportation from manufacturer to retailer.
For soliciting business, for the Collector, for the Doctor, Contractor,
Builder, and almost every other line of business activity, the Ford
Runabout is really a necessity. We solicit your motor accessory
business. We can serve you, we believe, to your best advantage. And
bring your Ford cars to us for replacements and repairs because you
will get the skilled workman and the genuine Ford parts.

High Grade Investment!

When your money makes a large return you speak of it as a high grade investment. Selecting these investments is having an eye to the future. Some call it luck, the better name is vision. They see the future, some investments are so plain all can see them and be a reliable judge of their worth.

The rubber industry belongs to this class. Akron is the center, it has increased in population seven-fold in the last 20 years. January, 1920, showed a gain of 984% in buildings. Their goal is 10000 new homes in 1920. Why these needs?

The rubber industry and its constantly increasing demands.

You have the opportunity to invest in *The Akron Maderite Tire & Rubber Co.* preferred stock, receive 7% for the use of your money; it is tax free, in addition a free bonus of 50% in common stock.

An investment today, the price of a Ford, may equal a limousine in a few years with the price of a little cozy home on the corner thrown in. Others have done this in the rubber industry; it was their vision of the future. Have you a vision? Do you wish to make more money? Then think this over, it is your opportunity and the time is now.

LOWER IS TAKEN TO THE HOSPITAL

Lewis Lower, who had his left arm almost torn off last Friday when he was attacked by an angry bear while working with logs at his home on the Circleville pike, was removed from his home to the Fayette Hospital, Wednesday morning, in the McCoy Ambulance.

Since the injury Mr. Lower has suffered excruciating pain from the ragged wounds caused by the sharp tusks of the infuriated animal and special care will be taken to prevent complications.

It will also be necessary to give the arm special treatment in order that the torn ligaments and nerves may heal properly.

FREEMAN TO SPEAK AT MEN'S MEETING

Hon. C. H. Freeman, a member of the state legislature, has been secured by the Religious Committee of the Young Men's Christian Association to speak before the men of this city in a mass meeting, Sunday afternoon, February 29th.

Owing to the influenza epidemic all meetings of this character have been cancelled during the past two weeks and there will be no men's meeting this week end.

WALLS IS BURIED IN SOLDIERS' PLOT

The last chapter in the life of Elmer Walls, whose career came to a tragic end on last Saturday evening when he hung himself to a tree in the Hild woods about four miles north of Bloomingburg, was completed Tuesday afternoon at two o'clock at the Bloomingburg cemetery.

Ceremonies appropriate for the man who had served in France with the American Army for nine months were solemnized by representatives of the local American Legion, Paul H. Hughes Post. In the absence of Rev. William Boynton Gage, chaplain of the Legion Post, John Neir, chaplain of the B. H. Millikan Post, G. A. R., officiated.

The casket, draped in an American flag, was carried to its resting place in the soldier's plot of the Bloomingburg cemetery by four members of the Hughes Post, Rell G. Allen, Burris

Thorp, Hugh Kennedy, and James McDonald.

Immediate members of the family were in attendance, James Walls, the father, and a brother in Lima were not present for the services.

IS FOUND GUILTY OF AUTO THEFT

Harry Hill, of Mt. Sterling, has been found guilty of the theft of the Carl F. Seitz automobile in Circleville, October 25, 1919, the trial closing in the Pickaway county court Tuesday afternoon.

Emmett Self, alleged accomplice of Hill, will face a similar charge next week.

The Seitz machine was abandoned by Hill and others, at Dixon, Tenn.

SIGNAL HONOR FOR LOCAL MAN

Capt. Chas. Allen, of this city, has been honored by appointment to the Board of Directors of the American Trotting Association, to succeed J. C. Linneman, of Lima, Ohio, and will attend an early meeting of the board at headquarters in Chicago. There are some five members of the board, located in various parts of America, and all being very prominent horsemen.

Capt. Allen is one of the best known breeders of trotters in this part of America, and is highly competent to meet all duties as a member of the board of the famous association.

ALL RURAL SCHOOLS WILL OPEN MONDAY

Superintendent O. S. Nelson of the rural and village schools, announced Wednesday that all rural schools closed during this week will open Monday morning. Schools of the Seiden district and of Concord township, and one or two of the schools of Perry township will respond to the order.

The order will be cancelled in case that the influenza shows further spread.

HOSPITAL NOTES

George Pensyl is slightly improved from a serious operation which he underwent at the Fayette Hospital on Monday.

The condition of Robert Armstrong who is under special treatment at the Cherry Hill Hospital for an attack of pneumonia is reported somewhat improved.

SHE SAYS HER HOUSEWORK WAS JUST DRUDGERY

Couldn't Walk Two Squares Without Tiring Before Taking Vola-Tonic.

Mrs. C. D. Thorpe, 557 Laurel street, Cincinnati, O., suffered with stomach trouble for years, and recently got so bad she was hardly able to be out of bed for three weeks.

"I started taking Vola-Tonic and now I am greatly improved," Mrs. Thorpe said.

"I suffered with indigestion and constipation constantly before I took Vola-Tonic. At times I became nervous and melancholy, too, and felt so bad I hardly knew what to do with myself. I felt weak all over and couldn't walk two squares without getting tired out.

"After every meal I was troubled with gas on my stomach and bloated badly. I also had severe pains in my chest.

"I simply felt worn out all the time and my house work was just drudgery. Recently, I got so bad I was hardly able to be out of bed for three weeks.

"I have taken two bottles of Vola-Tonic now and it has helped my stomach a great deal. My digestion is greatly improved and my food agrees with me much better. I'm not troubled with gas on my stomach or bloating after eating now. The constipation has about disappeared and I am stronger and better all over.

"My husband can notice a big change in me and says he is going to keep on buying Vola-Tonic for me until I am a well woman in every way."

Vola-Tonic, "Builder of Strength," is being specially introduced in Washington C. H. at Frank Christopher's, and at Jeffersonville by J. B. Davis.—Adv.

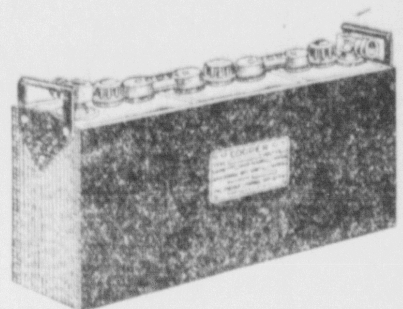

WHAT PUTS QUALITY INTO A BATTERY?

When we get right down to the facts we find that the general design of all storage batteries is very much the same—this is not what constitutes quality in a storage battery.

But the merits of a battery ARE determined by the materials and workmanship that enter into its construction. The builders of the

Coopery Battery

recognized this at the very start. There was no experimenting, and consequently they made a battery which from the beginning has carried the most liberal guarantee. Come, let us tell you what this guarantee is like.

We recognized this standard quality indicator when we selected this battery as our line, and we recognized the same thing when we began soliciting your battery repair. And we have no reason to regret either decision. We sell the battery strictly on its merits—you are the judge. The same is true of our service, which is behind the battery and which is offered for all batteries.

Why Freeze at the Curb and Tongue Lash the Motor?

Winter is famous for dealing cold decks. Don't curse the weather for car starting grief. And chattering teeth won't get you away.

In gasoline picking, you're playing a loser. Changing your luck means changing the brand. The best buy right now is

Columbus Gasoline

This extraordinary grade of motor fuel is making cold engines everywhere turn over like a circus horse. Columbus has got 'em tamed. It's really good gasoline because it's good real gasoline—the kind that makes all cars behave like fond parents say their children do. Load up with Columbus today if you want July car action in February. Columbus has high purpose habits that are contagious to frapped automobiles.

And big winter mileages per gallon! You won't believe four quarts of gasoline held so many miles when you first use Columbus. But you'll soon get used to traveling further on less. And you'll buy nothing but Columbus, like thousands of other Buckeye motorists.

A Royal Deal

Fourteen million more American dollars were contributed to the relief of impecunious nobility—or royalty in this case—when Mrs. William Bateman Leeds, American heiress, became the bride of Prince Christopher of Greece.

The marriage was timely for the prince, for the royal purse was getting flat.

By the negotiation, Mrs. Leeds becomes a "personage" (in Europe); indeed, hers was a coup, for she is now the highest ranking American woman in the old world.

By marriage, she becomes cousin to King George of England and Queen Victoria of Spain, aunt to young King Alexander of Greece and sister-in-law to ex-King Constantine, whose queen, Sophie, is sister to the former Kaiser, so a writer in the New York Times has determined.

Quite a dazzling connection if it did cost fourteen millions—probably the biggest buy for the money in the records of the title market.

Mrs. Leeds had something more than fourteen million dollars, too. Hellen, the French artist, once declared she had ninety-eight of the one hundred points that make for physical perfection. (He mysteriously declined to state what the lacking two points were). She has a \$340,000 string of pearls. She was one of the twelve American women in the royal enclosure, during Ascot week in 1910. Her former husband was known as the "timplat king."

Possession of a ninety-eight percent physical perfection is a decided matrimonial asset to any woman, but no woman with fourteen million dollars could be exactly unattractive, even to a prince, whatever her physical qualifications.

The lady, however, for all her ninety-eight good points, would show wisdom in keeping intact her tidy little purse. If she would retain the devotion of her royal mate, she should strive to lose none of her lovable qualifications.

We don't particularly envy Mrs. Leeds, notwithstanding her chattels. She has fourteen millions to our fourteen dollars; but for all that we have some honest friends who still love us and that with full knowledge of the fact that we lack about ninety-nine and nine-tenths percent perfection of any sort.

Let's See It Through

People who have grown peevish and restive under pressure of post-war conditions can find goodly counsel in the suggestions of Attorney General A. Mitchell Palmer, if they will.

Mr. Palmer points out that the general instability occasioned by the war and the regulations and restrictions that have accompanied it are incidental to what he calls on the people to regard as the last campaign of the great war and which he urges them to meet in the same patriotic spirit in which they met the exigencies of the period of actual conflict.

Looking with regret upon the orgy of reckless extravagance that began with the signing of the armistice, he points to the industrial idleness and discontent and the ever-mounting cost of living that have been a part of it and urges that the people take a steadier hold on themselves.

"I would say that extravagance and idleness are the two great sins in this emergency," he declared. "If the people would save more and work more, prices would fall in exact proportion of the increase of their working and saving."

Mr. Palmer is right. A burden of any kind is onerous only in proportion to the fortitude and prudence with which we bear it. During the war we did our part nobly. Why not now? These conditions incident to the war, over which some of us have begun to whine, are a part of the war itself. Let's fight it out. No thoroughbred weakens on the home stretch. Only the yellow flivver out at the finish. We like to believe, and to have the world believe that we are thoroughbreds. Let's make it good.

POETRY FOR TODAY

IT'S ALL IN THE STATE OF MIND.

If you think you are beaten, you are,
If you think that you dare not, you don't.
If you'd like to win, but you think you can't,
It's almost a "cinch" you won't.

If you think you'll lose, you've lost,
For out in the world you find
Success begins with a fellow's will—
It's all in the state of mind.

Full many a race is lost
Ere even a step is run,
And many a coward fails
Ere even his work's begun.
Think big and your deeds will grow,
Think small and you'll fall behind,
Think that you can, and you will—
It's all in the state of mind.

If you think you're outclassed, you are,
You've got to think high to rise;
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger or faster man,
But soon or late the man who wins
Is the fellow who thinks he can.
—From The Sabeen

4. Large institution—Assets now over \$19,700,000. There are many advantages in dealing with a large and successful institution.

Q-117

CAMBRIDGE LADY SPENT SIX WEEKS IN A HOSPITAL.

Was operated on for Tumor; been treated by best physicians in county, but seemed no one understood her case.

Has taken two bottles of Dreo and declares she is regaining her health very fast. Weight increased six pounds.

"I spent six weeks in a hospital, and underwent an operation to remove two tumors; have had the best medical treatment that money could procure, but I did not seem to regain my health," writes Mrs. Clyde Stewart, of Route 7, Cambridge, O. "I read about a Zanesville man who got such great relief from the new medicine, Dreo, so I bought two bottles of it and started the treatment. Those two bottles of Dreo have done me more good than anything else I ever did. I have a good appetite now; sleep sound; have gained six pounds in weight. Dreo has been such a help to me after these years of suffering that I ought to tell my experience so that it may lead some suffering person to use this grand medicine."

There are many cases on record where Dreo has helped sick and suffering persons after all means had been exhausted. While Dreo is not a "cure-all" by any means, it is a plain, common-sense remedy made from the juices of roots, herbs, bark and leaves which act on the vital organs, toning them up so that they perform their duties as Nature intends they should. That is why Dreo is so successful. Dreo acts on the stomach, liver, kidneys, bowels and purifies the blood.

All good druggists sell Dreo and it is highly recommended in this city by

Frank Christopher, Druggist

Why More Small Cars Come Equipped With Goodyear Tires

Last year, more small cars, using 30 x 3, 30 x 3½, or 31 x 4-inch tires, were factory-equipped with Goodyear Tires than with any other kind.

This is plainly a result of the high relative value produced in these small-car tires by Goodyear's enormous resources and scrupulous care.

They represent the same intense endeavor to supply utmost satisfaction in tires that has laid the basis for the marked preference which exists everywhere for Goodyear Tires in the larger sizes.

This real Goodyear value in tires is available for your Ford, Chevrolet, Dort, Maxwell, or other small car, at our nearest Service Station. Go there for these tires and Goodyear Heavy Tourist Tubes.

30x3½ Goodyear Double-Cure \$20.00
Fabric, All-Weather Tread.

30x3½ Goodyear Single-Cure \$17.65
Fabric, Anti-Skid Tread.

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag \$3.90

GOODYEAR

HE FELT ACHY, WEAK, HAD BAD COUGH—HYPO-COD STOPPED IT

Nothing Tasted Good Was Weak and Dizzy in the Morning.

FEELS LIKE NEW MAN ONCE AGAIN

The thousands of people who praise Earle's Hypo-Cod must surely convince even the most skeptical of this new tonic's power. Besides just a glance at the formula on a bottle tells you it is composed of the very finest ingredients. The secret is in its strength and the way the chemist has eliminated the fishy oily taste and made it agreeable to weak stomachs and powerful at the same time. Read what Mr. Crane says about it.

"I was suffering from the after-effects of the Grippe, and had lost considerable weight. I coughed a good deal at night and seldom slept good. I felt all worn out and would become dizzy and things turned dark before my eyes if I got up quickly. Every-

thing tasted the same and my appetite was bad." The testimonials in the paper seemed to fit my case so closely I bought Earle's Hypo-Cod and the first thing it did was give me an appetite. It stopped the tickling in my throat and in one week that old cough was gone. It built me right up from the very start and now I am as well as ever. I feel like a different person and don't dread work at all like I did. All the shooting pains and dizzy spells left me and I am gaining weight so fast I gladly endorse Earle's Hypo-Cod to all," declared Mr. Stanley Crane, Lumber Inspector with the West Side Lumber Co., and residing at 1223 Mercer St., Dayton, Ohio.

Come down and secure a couple bottles and find out for yourself what an ideal and quick working tonic is. Earle's Hypo-Cod is sold here by C. S. Haver's and Frank Christopher's drug store and the leading druggists in all nearby towns. Price \$1.25 plus 5c war tax.—Adv.

ARE YOU A TARGET FOR INFLUENZA?

It Hits Listless, Run-down People First—Their Blood Is Thin

Germs Everywhere In Epidemic

Be Prepared—Strengthen and Build Up Your Blood with Pepto-Mangan.

If it is true that you are not feeling your best—if you have that "always-tired" feeling and no interest or enthusiasm—then you should be careful of the influenza.

It is thin-blooded, anemic people that disease strikes first. The fact that you have had a very few illnesses has nothing to do with it. Everyone gets run-down occasionally, and when they

do, the blood is in no condition to fight off disease germs, because it has not enough red corpuscles. It is the red corpuscles of the blood that fight disease and save you from sickness.

You simply can't afford to take chances when influenza is striking down thousands everywhere. Fortify your blood—build it up with the pleasant tonic, Pepto-Mangan.

And should you be just recovering from influenza, you need Pepto-Mangan because your blood has exhausted its strength. Pepto-Mangan will help build you up.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. Comes in either liquid or tablet form. No difference in medicinal properties.

Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by the name and be sure the full name is on the package.—Adv.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

Mrs. Warren Michener, president of the Stark County Farm Women's Federated Clubs, is glad that the farm clubs have become affiliated with the Ohio Federation of Women's Clubs. "For life is lonely on the farm and we need recreation," she writes. "We had a query box at our last meeting. One question was 'Can you name one thing the club has done for you?' One of the many answers was 'Kept me busy a time from being blue.'" The Stark county farm women's clubs study economics, have debates, music and recitations and discuss present-day interests. Their meetings are held monthly. They occasionally have evening socials in which all the members of the family join. Some of the clubs have entertainments and sales, turning over the proceeds to charity. The Canal Fulton club gave an entertainment this winter, some of the members driving seven miles to rehearsals. The entertainment netted \$34. This was sent to the war children's relief fund. The Stark county clubs are helping to plant trees along the Lincoln highway as a memorial to America's world war dead.

The New Waterford Columbian County, president, Mrs. S. A. Might, has joined hands with their sisters in city and town in carrying on their uplift activities. Mrs. Might's club was organized six years ago and now has a membership of twenty-

five. The members were extremely busy in all war work and are still holding all-day meetings to sew. The club is supporting a French orphan and appointed a committee of two to visit the centralized school in the township each month for the double purpose of reporting on the work being done and co-operating with the teachers.

Ash Wednesday ushered in the forty days of Lent, which will be observed by the Episcopal and Catholic Churches all over the country and to a lesser degree by other churches.

The spirit of the leaven season is each year finding itself more deeply impressed upon church life and there is a general curtailing of social activities, especially in the larger cities.

There is quite a little disappointment locally over the announcement that the Emmy Destinn concert, in the Kate Lacy series, which was scheduled for Memorial Hall, Columbus Thursday night, has been cancelled owing to illness.

Miss Lacy also announces that she will book another artist instead of securing Miss Destinn at a later date.

Mr. Thomas Gardner happily celebrated his eighty-eight birthday with his two namesakes and "pals" his grandson, Tom Murray, and great-grandson, Tom Gardner Murray.

The eighty-one years between the grandfather and the great-grandson is no barrier to the good times they have together.

Mr. Gardner was remembered with gifts, a number of pretty cards as well as personal congratulations, and his daughter, Mrs. Nan Gardner Murray, entertained with an enjoyable family dinner in honor of the occasion.

Friends in this city have received from Mr. John L. Hull, of Delaware, announcement of the marriage of his daughter, Miss Mary Hull to Mr. John Martin Factor, on February 17, in Delaware. Mr. Hull and daughter formerly resided in this city while Mr. Hull operated, what is now known as the Ideal Store. Best wishes of Washington friends are being extended.

Mrs. Laura O'Farrell returned Wednesday from visits during the past two weeks with relatives in Springfield and Dayton. Last Sunday Mrs. O'Farrell was the guest of honor at a birthday dinner entertained at the home of Mr. M. L. Blue in Springfield. Covers were laid for fourteen, guests confined to members of the family.

Because of the influenza ban and illness among members of the Thursday Kensington Club, notice has been given that further meetings are postponed until the flu ban is lifted, when the next session will be announced.

Friends of Mr. and Mrs. Ned Poage (nee Anne Quinn) of Ashland, Ky., will learn with much interest that Mr. and Mrs. Poage legally adopted a baby girl, two and a half months old, during a recent visit in Cincinnati. The child is an orphan of English and Welsh parentage, and has been named Suzanne.

Mr. and Mrs. Poage returned with their little daughter to Ashland this week, accompanied by Mrs. Poage's

sister, Mrs. R. B. Palmer, of Cincinnati, who remains for a few days visit.

The enthusiasm with which Red Cross instruction in Home Hygiene and Care of the Sick is being received by women and girls in all parts of the country is demonstrated by an American Red Cross report that approximately 200,000 text-books on which the course is based have been sold during the past year.

This book of nearly 350 pages, which every student taking the Red Cross course in the first principals of household hygiene and elementary nursing procedures is urged to use, was written by Miss Jane A. DeFano, is now in its second edition. It consists of fifteen chapters, including questions for review, and sets forth in simple form the causes and prevention of minor sickness, health and the home, babies and their care, equipment and care of a sickroom, beds and bed-making; feeding the sick, common ailments and emergencies, and the care of children, chronic patients, and the aged. All author's royalties were willed by Miss DeFano to the American Red Cross.

Echoes come back from Portsmouth, Va., of the election of Miss Pauline E. Pine, daughter of Mr. and Mrs. Ed Pine, formerly of this city, as the new director of girls' work at the Community Center, following the resignation of Miss Marguerite Sharrett, the former director.

The Portsmouth Star of Sunday, February 15th, carried an excellent picture of Miss Pine and expresses her satisfaction the Portsmouth organization feels in having secured her for this position.

The article says in part:

"Miss Pine is a local girl, who has displayed great interest and ability in the social and religious life of the community. She is a member of Broad Street Methodist Church and a teacher in the Sunday School. For several months she has been director of physical recreation here under the auspices of the War Camp Community Service, and her experience in this respect and ability for organization that she has displayed convinced the executive committee that she was fully qualified to direct the whole work here."

"Miss Pine will assume full charge of the work on February 15th."

To Washington friends, who are deeply gratified to learn of this talented young woman's success in her chosen vocation, Miss Pine writes that her new work is most interesting and is furnishing gymnastic work and social recreation for hundreds of girls each month. All of the local girls scout work is affiliated with Community Center work.

High School Coach Charles Moorehead returned Tuesday from a visit at his home in New Concord, Ohio.

Mr. M. F. Laby and family were called to South Solon Tuesday by the death of Mr. Laby's mother, Mrs. Patrick Laby.

Mrs. A. M. Bush has returned from a visit with Mrs. C. M. Kearns in Hillsboro. Dr. Bush joined her at the Kearns' home over Sunday.

Miss Corrine Cummins spent Tuesday in Columbus on business.

Mr. Floyd Morris is improving from a slight attack of the flu at his home on Grand avenue.

Miss Mabel Nelson went to Chillicothe Wednesday to spend several days the guest of Mr. and Mrs. Vernon J. Schwallie.

Washington friends will be interested to learn of the birth of a son to Mr. and Mrs. Leone Sellers (Mary Walton) at their home in Columbus on February the first. The baby has been named Richard Walton Sellers.

Mrs. Glenn Rodgers is detained at the home of her sister, Mrs. Fred A. Schmid, in Springfield, by the illness of her mother, Mrs. M. F. Stuckey. Mrs. Schmid and daughter Katharine Mae are slowly recovering from their serious illness, which called Mrs. Stuckey and Mrs. Rodgers to Springfield.

ONE RESULT OF WINTER

Life indoors with lack of exercise and heavy food is apt to throw the digestive organs out of order. Foley Cathartic Tablets are a wholesome physic that thoroughly cleanse the bowels without griping or nausea. They sweeten the stomach, invigorate the liver, banish headache, biliousness, bloating, gas.—Blackmer & Tanguary.—Adv.

FINE YOUNG CHICKENS AT THE FAYETTE CASH MEAT MARKET.

OSBORN SAVED FROM DISASTER

Osborn, village of 1000 located near the Fairfield aviation field in the Flood Conservancy District, has been saved from extinction by a vote of the citizens, who have decided to move the village two miles to a point selected for the new town site.

The new town, whose removal will begin within the near future, probably early in May, will be located upon 127 acres south east of Osborn's present site. It was planned by the Miami Conservancy Board on land to be sold by them to the company. The factories and elevators will front upon the Big Four and Erie railway tracks east of the town; the retail section will be long the traction line on the west side of the village. The homes will be in the intersection. To the north will be a park.

The town will be laid off in zones, a portion for two story residences and a part for cottages. Its planning will be worked out along strictly modern lines; the exact method of selection to be worked out by the board of directors of the company. There are 220 residence plots already provided for, with plenty of room for expansion to the south.

DEATHS

LAHY

Mrs. Patrick Lahy, mother of Michael F. Lahy, of this city, died at her home in South Solon, Tuesday, at the advanced age of 80 years.

Funeral services and interment at South Charleston, Thursday morning.

HUBBUCK

The body of Anthony Hubback, who died in Cincinnati, will arrive here Thursday morning on the 10:30 B. & O. train, and will be taken to the White Oak Church for funeral services at 11:30.

Burial will be made in the White Oak cemetery.

DEATH SUMMONS
FORMER RESIDENT

Word of the death of Mrs. Martha Kirkpatrick, which occurred at the home of her niece, Mrs. Alice Wheeler, at Converse, Van Wert County, Tuesday, saddened relatives and friends in this city. Mrs. Kirkpatrick's life long home.

Mrs. Kirkpatrick had the misfortune to sustain a broken hip two years ago and since breaking up her home on Broadway has resided in Converse, where the burial will be made.

She was a sister of Mrs. S. W. Cassa and an aunt of Mr. E. L. Bush of this city.

OHIO RANKS SECOND
WITH HALF MILLION

There is but one state in the Union that outranks Ohio in the number of automobiles according to figures given out by A. G. Snow, state registrar of automobiles. Ohio was listed in 1919 with 511,030 automobiles while the number owned by New York State was slightly larger, 560,811.

In 1919 the increase in this state was nearly 100,000 and is said to have been due to prosperity in the state and improvements in the highways.

Cuyahoga county led all other counties in the state with 70,835 autos, while Hamilton county was second with 28,797 and Franklin was third with 25,330.

HIGHLAND PICKS
HEALTH OFFICER

Dr. W. G. Rhoden, of Mowrytown, Highland county, has been appointed health commissioner of that county at a salary of \$2,000 per year.

The Highland County Health Board met Tuesday and selected Dr. Rhoden for the position.

Brownell incubates eggs, three cents each.

Make Your Pulpwood
Pay for Your Clearing

Clearing land is expensive, but if you sell your pulpwood it will pay for the cost of the work. Why not investigate this matter? Write for prices and information.

The Mead Pulp & Paper Co.

Chillicothe, Ohio.

MORE DAYLIGHT
BEING SOUGHT

Columbus, Ohio, February 18.—An effort will be made Friday evening at council committee meeting by Councilman Milliken to obtain favorable action on his ordinance providing an hour more daylight for Columbus from April 1 to October 1.

Similar action taken by other cities in the country makes it almost necessary that Columbus adopt the hour-earlier system next summer, Milliken says. If the city expects to keep in the running.

New York, Philadelphia, Jersey City, Cleveland, Detroit and Baltimore already have endorsed the move, Milliken says, in addition to several others cities nearer here.

All of these cities are now one hour earlier than Columbus and the adoption of daylight saving would put them two hours ahead.

Brownell incubates eggs, three cents each.

"HAVE YOU TRIED THEM?"—HERALD "WANT ADS."

The High Cost of Living
Solved

We have started a new and up to date Meat Market in the room just vacated by the Washington Savings Bank, on North Fayette Street.

Will Open Thursday, Feb. 19

We do our own killing and can therefore give you fresh, first class meat at a most reasonable price.

We invite all our friends to come in and see us, and we assure you of courtesy at all times.

"We will treat you right is our motto, and to "M-E-A-T you at the Fayette Cash Meat Market" is our business.

We have a lot of nice young chickens, 2 1-2 to 3 pounds, for frying.

FRANK WOODLAND AND ASSOCIATE MAKE BIG DEAL

Of interest to horsemen and to his former friends in Fayette county is the announcement of the transfer of the Cranwood Driving Track to Frank Woodland of Youngstown, formerly of this city, and George E. Smith. The transaction practically amounted to a sale.

The Columbus Dispatch says in part:

"Frank Woodland of Youngstown and George E. Smith yesterday took over the Cranwood driving track and will conduct the harness meetings scheduled for that course during 1920. The deal that placed Woodland and Smith in control of the track practically amounted to a sale in which they acquired possession of the lease held by A. C. Pennock and equipment of the track."

Mr. Woodland is the son of James Woodland, of Bloomingburg, and was formerly associated with the Horse Journal, a publication devoted to the interests of horsemen. He also served as secretary of the Fayette Racing Association and is one of the best known horsemen in the state.

The Cranwood Track is located at Cleveland and is one of the most widely recognized tracks in the country.

BIRTH ANNOUNCEMENTS

In the form of dainty cards and envelopes, tinted and with borders blue and pink, can be found among the assortment of quality cards for all events at Rodecker's News Stand.

QUICK HELP IS DOUBLY VALUABLE

There is nothing like Duffee's Cough Syrup for quick treatment in colds. When the first symptoms appear is the time to use it. Indeed it often prevents colds after exposure. It's the kind of a remedy that you should have in the house for immediate use, especially where there are children. Grown people, too, are subject to colds and they are as serious in weakening their strength and opening the way for influenza and pneumonia as they are in retarding childish growth.

A good preventative and a sure remedy are invaluable in these cases, and for nearly forty years the people of Ohio have proved the value of Duffee's Cough Syrup and Duffee's Fifty-Fifty Tonic Laxative. You may provide yourself with these at your grocer's or your druggist's. Only 25c and 50c.

PARTITION SUIT FILED WEDNESDAY

In Probate Court Charlotte Swope Parker and Harriet Anne Parker, through their guardian Charles B. Parker have filed action for the partition of 102 acres of land on the Prairie pike in Paint township.

Named as defendants are Charles B. Parker, Opal Swope Parker and George B. Swope.

Plaintiff desire the land partitioned and their interests set off and for such further relief as may be proper. E. L. Bush represents the plaintiffs.

DIES AT AGE OF 83

Mrs. E. N. Miller died shortly after four a. m. Wednesday at her home northeast of this city at the age of 83 years. Mrs. Miller was a life long resident of Fayette county.

The body was taken to the Klever Undertaking rooms and prepared for burial.

Funeral services will be held Thursday afternoon at two o'clock at the Bloomingburg M. E. Church. Burial will be made in the Bloomingburg cemetery.

THE EXEMPTION OF DEPENDENTS

In order to clear away misunderstandings as to what constitutes dependency, in connection with the additional exemption granted Income Tax payers, Collector of Internal Revenue Stephen W. McGrath today gave out the following statement:

"For 1919 a taxpayer may be allowed a credit of \$200 for each person for whom he is the chief support. But it must be remembered that he can claim this additional exemption only with respect to children seventeen years of age or younger and persons mentally defective, cripples and persons old enough to be without question physically incapacitated for self support.

If the taxpayer contributes to the support of some relative or other person who is over seventeen years of age, in fair health, and still active, he cannot be allowed the additional \$200 even if he is furnishing the chief support.

The very different requirements of the two exemptions ("head of a family" additional \$1000; "dependent" additional \$200) must not be confused. To be the "head of a family" the person whom he supports must be a close relative, must live with him, and he must be such relative's sole support. To be entitled to exemption for "dependent" the person whom he supports does not have to be a relative, but can be any child or any cripple or defective; the child or incapacitated adult may live anywhere; and it is necessary that he furnish only more than half of the support.

The chief difference is that for "head of a family" the restriction is of close relatives, the evident object of which is to promote the home; for "dependent" the restriction is to children under eighteen years of age or persons mentally or physically defective, the object of which is to recognize material assistance given to those who cannot help themselves.

FUNERAL SERVICES LARGELY ATTENDED

The funeral services of Mrs. George Grove, held at the home near Staunton Tuesday afternoon were very largely attended, many friends driving from remote parts of the county.

The gathering was one charged with deep sadness and the sense of personal loss, as well as deep sympathy for the bereaved family. Rev. Ferguson, of the First Baptist Church of this city, assisted by Rev. Rose, of Staunton M. E. Church, conducted services that were beautiful in tribute to the woman who sleeps beneath a profusion of flowers sent in loving remembrance.

The hymns "Sometime We'll Understand" and "Asleep in Jesus" were tenderly sung by Mrs. Walter McLean and Mrs. Kearns, with Miss Mabel Briggs at the piano.

A long line of autos accompanied the family to the local cemetery for the burial. The pall-bearers were Mr. John Howe, Mr. Louis Backenstoe, Columbus; Messrs. William Craig, William Wert and Harry Backenstoe.

Among the beautiful flowers sent from numerous relatives and friends there were special designs from the L. O. O. F., the Daughters of Rebekah, the Ladies Aid Society of the First Baptist Church, the Ladies Aid of Staunton Church and the Missionary Society of the First Baptist Church.

Relatives who came from a distance were the son, Mr. Warren Grove and family of near Jeffersonville, brother, Mr. John Howe, Mrs. Willard Backenstoe, son Frank, Mr. Louis Backenstoe, of Columbus; Mrs. John Foulk, of Greenfield, a sister.

OBITUARY GROVE

One by one our loved ones leaves us. As the hour of life draws late, One by one their parting grieves us. As they pass thru the gate."

Every now and then we are called from the thoughts and activities of our busy lives to pay a farewell tribute to some one who has passed through the gate. Today it is a loving wife and mother who has passed through and our hearts go out in sympathy to the bereft family.

Novella Howe was born May 10th, 1865. She was the daughter of George and Melvina Backenstoe Howe. The mother died when she was a very small child and she and her brother John made their home with the maternal grandparents. After the death of the grandmother she continued keeping the home for the grandfather and two single uncles, Abraham and David Backenstoe.

On January 22nd, 1891, she was united in marriage to George Grove, of Fayette County. Two children, Warren and Nina Lela were given to them, the latter dying in infancy. Mrs. Grove's home and little family meant much to her and she spared no pains for their welfare and comfort. Relatives and friends always found a hearty welcome awaiting them for her hospitality was unbounded.

One of the greatest joys of her life was being grandmother to Warren's baby girl, Novella Jane. Between her and her brother there was a very strong tie of affection and among her generation of the Backenstoe family "Cousin Vella" was a great favorite. She was always ready to help and sympathize with them in trouble and sorrow. She will be greatly missed by this brother and these cousins.

Her aged father still survives, but his advanced years prevented him coming from his home in North Dakota. There is also a half brother and sister in the west.

When quite a young girl she became a member of the First Baptist Church of Washington C. H. and has endeavored to lead a true Christian life. She spent as much of her time as health and home duties would permit in active service for her Master and the church. She was an active and valued member of its various organizations and will be greatly missed. When the home was removed to Staunton she did not change her membership but took her place with the workers of the Methodist Church of the village just the same.

For several years she has been a sufferer from a serious heart and nervous trouble. All that love and expert medical skill could do was done but might could stay the ravages of the disease.

On February 14, 1920 as the shades of evening fell, God sent his angel to release her spirit from the pain-racked bed and today she sleeps in peace. For the husband, son and daughter-in-law, who are so heart broken there is this comfort—they tenderly and patiently cared for her and made her life as pleasant as possible. The little grand daughter, too added her quota of enjoyment by her cunning baby love and endearments. May they all find consolation in the thought that She has only passed thru the gate. On the other side to wait; Ah! the joy there is in knowing We shall meet beyond that gate.

PLEA FOR FEDERAL CONTROL

Voiced By Head of Railway Unions In Letter to Members of Congress.

(By Associated Press.)

Washington, February 17.—Urging that federal operation of the railroads be continued for at least an additional two years, B. M. Jewell, acting president of the railway employees' department of the American Federation of Labor in a letter to members of Congress today, expressed the opinion that return of the roads to private ownership at this time would lead inevitably to their bankruptcy which might easily result in a national panic and in turn bring "worldwide bankruptcy."

The letter of objections to return of the roads was signed by heads of fourteen railroad unions, including the four big brotherhoods, who have been acting as a unit in urging, first, government ownership of the rail systems and, second, continuation of government control as an alternative.

VETOES BILL

Columbus, O., February 17.—United States Senator Warren G. Harding, if he contemplates being a candidate for re-election in case he does not receive the presidential nomination at the Chicago convention, will have to become a candidate both for Senator and President at the same time.

Governor Cox today vetoed the Hop-ly bill which would have permitted him to withhold his candidacy until after the Chicago convention.

Among candidates who are expected to file for senator besides Harding are former Governor Frank B. Willis and Attorney Harry M. Daugherty, Harding's campaign manager.

In his veto message to the General Assembly, Governor Cox says the bill originated from a "by no means unworthy impulse to promote individual convenience" but that it could have been made applicable for only one year when "in a spirit of true sportsman ship, it could have been accepted in good grace for the reason that it could have entailed no permanent disturbance of the vital principles upon which the primary law is based."

Without mentioning his name, Governor Cox points out that Harding has nothing to lose by veto of the bill, because he can file candidacy for re-nomination then withdraw it in case of his nomination for President.

MEXICAN TROOPS AFTER BANDITS

New York, February 18.—Mexican government troops are pursuing the bandits who kidnapped Wilson Welsh Adams, an American mine superintendent, but contact with the outlaws has been lost in the hills, according to a telegram received today by the American Metal Company, Adams' employers, from its offices at Monterey, Mexico.

Farm for Sale at Public Auction

The D. S. Foster Estate, consisting of 133 acres, will be sold at Public Auction,

Thursday, March 4

at 2 o'clock, at the farm, located about one mile east of Bloomingburg, on the White Oak and Bloomingburg pike. Terms cash.

D. S. FOSTER HEIRS.

M. W. Eckle, Auctioneer.

INSTALL LOCKERS IN THE GYMNASIUM

A much needed improvement has been added to the equipment of the gymnasium of Washington High School in the form of a set of sixty steel lockers. Thirty of the lockers go to the girls' department and the other thirty go to the boys' department.

The lockers were acquired from the Y. M. C. A. when the remodeling of the gymnasium in that institution necessitated the removal of this type of locker.

The improvement is a much needed one and was badly needed in the gymnasium equipment. However the number of lockers is not large enough to accommodate the students who take advantage of the athletic work and fully one hundred lockers could be used.

NEW MEAT MARKET OPENS THURSDAY

The Fayette Cash Meat Market, J. E. Green proprietor and Sam Whitfield manager, will open its doors for business early Thursday morning, in the room immediately north of the new home of The Washington Savings Bank.

Announcement is made by the management that the firm will do its own killing, and thus have a supply of fresh meat at all times.

LOCAL MAN LISTED IN GUARD OFFICERS

In the reorganization of the Ohio National Guard the list of officers who have been officially recognized by the War Department includes Kenneth R. Kerr, Second Lieutenant, Troop E, Cavalry, Lima. The appointment of so young a man to this position of honor speaks well for his ability in military lines. Lieutenant Kerr had

military training in the Aviation Service during the war.

The list also includes Don L. Caldwell, officially recognized as Captain, Supply Company, Fourth Infantry, Greenfield; also Kyle M. Vance, Captain, Albert R. Rankin, First Lieutenant, and William M. Farrar, Second Lieutenant, C. Company, Fourth Ohio Infantry, London.

FUNERAL SERVICES OF FREEDOM ARNOLD

Funeral services for Freedom Arnold, who died Sunday after an illness of long duration at his home in New Holland, were held Wednesday afternoon at the New Holland Church of Christ. Burial was made in the New Holland cemetery.

Mr. Arnold leaves a wife and three children; his mother and father, Mr. and Mrs. Frank Arnold; three brothers, Jesse, Asa and Francis, all of New Holland, and three sisters, Hazel, and Lillian, of New Holland, and Mrs. Lelia Bilsaver, of Marion, Ohio.

HARTMAN THEATER (Columbus, Ohio)

Thursday, February 19, brings to the Hartman Grant Mitchell in his new comedy, George M. Cohan's great character work, "A Prince There Was." It is Mr. Cohan's latest work and shows this popular playright at his very best. Grant Mitchell will be remembered for his successful appearance in "A Tailor Made Man," the leading role in which made this Columbus actor famous. His new play is an up-to-the-minute romance of modern American life, written of places, persons and projects with which every American is familiar. Several of the characters are entirely new to the stage, including the "Prince" himself. The engagement is a three-day one with a matinee on Saturday.

A Message and a Pledge To the Women of This Great State

WOMAN has a great responsibility on her shoulders. Around her, all home life centers. It is she who plans the meals, buys the food, and prepares much of it. Husbands and fathers, sons and daughters, brothers and sisters, look to her for appetizing, nourishing food.

It has been our privilege to lighten the labors of many by supplying, through neighborhood groceries, Crackers and Cakes that are attractive in appearance, out of the common in taste, and decidedly wholesome. And families have enjoyed the varied menus that our large assortment enables the home-maker to serve.

Our Crackers and Cakes are made from selected, tried and true recipes—recipes that call for the best of everything. All have the reputation of being good. These recipes have been obtained from many sources. One, for example, was procured from a baker whose shop years ago was the mecca of all his town folks. Another is that used by a dear old lady who was a famous cook in the eyes of her family, friends and acquaintances.

In our experience covering twenty-four years we have learned much—especially from women. Now we want to share this experience and knowledge with you to the end that you may be benefited.

We Have No Secrets

We want you to know just how our Crackers and Cakes are made, what materials go into them, how and when they may be served, and their food value. To accomplish this we shall use this newspaper and others. What we shall say will be told as from friend to friend. As you read our advertisements please remember that we invite your suggestions about anything we make or do.

We have always distributed our products through the neighborhood grocery—your friend—who makes it a point to have for you all the good things to eat that you like best—such as Green & Green Crackers and Cakes. There is a big family of these good goods.

Crackers for all occasions, puff "oysters," tasty "butters," a famous "hard cracker," delicious "sodas," "reception flakes"—some are salted, some sweetened, others are delicately flavored.

Wafers—delicious "squares" in a number of flavors, "grahams" unusually good, some made more delectable with milk chocolate icing.

Cookies and Cakes—so attractive in appearance that they tempt even the jaded appetite, so varied in flavors that there is one to suit every taste; mouth-melting sugar cakes; old-fashioned cookies, spicy ginger snaps, light, spongy honey sweets, flavorful southern molasses cakes. There are dainty combinations of rich little cakes with selected jellies and fluffy marshmallow; some are covered with vanilla, lemon or nectar icing; others are embellished with coconut; still others are coated with rich milk chocolate or flavored with fine natural chocolate.

Differing in colors as they differ in flavors, they add charm and good taste to the daintiest spreads. And how convenient they are for you. Just step to the telephone, call your grocer and tell him to send you exactly what you want—the Green & Green Crackers or Cakes of your choice.

Even as we started in business, we set up this ideal—to make Crackers and Cakes unusually good always—to deliver them oven-fresh to grocers—to deal fairly with all—and to keep our minds open to suggestions for improvements. Such success as we have attained is the result of living up to that ideal.

We Pledge You

That in the future, as in the past, we will serve you as you would be served.

That we will use only the best materials that we can buy.

That we will not depart one iota from our high standard of purity and cleanliness in preparing and packing our products. That we will deliver to your grocer Green & Green Crackers and Cakes with the bloom of the oven still on them. And that goods in the double-enameled green tins and bearing our trademark are backed by our reputation as manufacturers of good-goods.

The Green & Green Cracker and Cakes that you buy tomorrow will be just as good as those you buy today.

SEAL OF OUR PLEDGE

Goods bearing this trademark are backed by our reputation as manufacturers of good-goods.

Public Sale

Having rented my farm, I will have a closing out sale at my residence, 4 miles west of Washington C. H., on what is known as the Bush and Henkle road, on

Thursday, Feb. 19

Commencing at 10 o'clock, I will sell my entire lot of live stock, implements and machinery.

35—Head of Horses and Mules—35

I have in this bunch of horses some well mated teams, one pair of geldings weighing 3400 pounds; one pair black mares weighing 3000 pounds; pair geldings weighing 3200 pounds, well mated; the remainder of these horses are good farm horses. Four extra good span of broken mules; one nice combination mare, safe for lady to drive or ride.

All dealers and farmers are invited to attend this sale as this will be the greatest opportunity to buy work stuff that has been offered this spring. The man giving the largest check for horses and mules will be made a present of a harness horse.

20—Head of Cattle—20

Eight head of extra good Shorthorn milk cows, three with calves by side, rest to calve soon; these are the best Shorthorn cows I have ever offered for sale; Holstein heifer with calf by side; Holstein cow, will calf in spring; some extra good Jersey cows to calf in spring; 3 Shorthorn bulls, two with papers furnished on day of sale; 4 heifer spring calves.

65—Head of Hogs—65

Fifteen two year old Duroc brood sows, extra good, to farrow last of February and first of March; fifty head of fall shoats weight about sixty pounds; these hogs have all been double immuned.

10—Head of Sheep—10

Nine head of Shropshire ewes, one buck.

Farm Implements

WAS HARDLY ABLE TO STAY AT WORK

Richmond Man Says He Should Have Been In Bed—Tanlac Soon Restored Him.

"Yes, sir, I am so thankful for what Tanlac has done for me I wish I could tell everybody about it," recently said J. S. Traylor, 1410 Ashland street, Richmond, Va., a machinist who works for the Virginia Railway and Power Company.

"For the past year," Mr. Traylor

continued, "I had suffered indigestion so I had to sit down to keep from falling. I had rheumatism in both feet so, bad that in the morning I could not hardly bear to put my foot on the floor, and they pained me so I could scarcely walk. I was so badly run down I felt miserable all the time and many a day I had to drag one foot after the other when I ought to have been in bed. I say Tanlac recommended by several people I knew to be reliable so I decided to try it. Before I had finished my first bottle my improvement was so great a friend asked me what I was doing to look so well, and when I said it was Tanlac he

said, "Well, you had better stick to question they may ask." Tanlac, for you certainly look like a different person." I have a fine appetite and can eat anything I want and everything agrees with me perfectly. I am never troubled with gas or pains in my stomach, and I am rid of the swimming in the head. The pains in my back and the rheumatism have all gone and I never have a trouble of any kind. I feel stronger than I have in a long while and can work all day long without even sitting down to rest. If any one wants to know any more about the benefits I have received from Tanlac let them write me and I will gladly answer any

DON'T NEGLECT

THE LITTLE ONES Mrs. J. S. Pitson, 376 E. 156th St., Cleveland, O., writes: "I can't speak too highly of Foley's Honey and Tar. When my little girl has a cold I give her Foley's Honey and Tar and that stops her coughing in a little while." "Children like it. It contains no opiates. It is healing, soothing, prompt in action. Your Milk Pail
Tells the Story
Every Day
when You Feed

SUCRENE
DAIRY FEED

Has been a money maker for cow owners for nearly twenty years. It's the feed that U. S. Government experts selected to produce milk for the army of Panama Canal builders. It's the feed which thousands of leading dairymen are feeding to increase and keep up the milk yield of their cows. We guarantee it under a positive quality guarantee.

Gives More Milk Per Dollar of Feed

On any good ration you can profitably mix at home, and have no mixing to do—it's a ready-to-feed complete feed; no other concentrates needed.

Composed only of high quality nutrients, carefully selected and accurately mixed in proper proportions to supply cows with necessary protein, fat, carbohydrates and mineral matter for milk-making.

Your Cows Will Prefer Sucrene because it is sweet smelling, appetizing, easily digestible, has the necessary variety, and promotes health.

Try Sucrene Dairy Feed. Come in and let us give you proof of profitable results obtained by other dairymen.

BIG TOURNAMENT
TO OPEN FRIDAY
WITH FOUR GAMES

Washington High Is Rated
As Third Contender For
The Cup by Opponent
Schools.

Because of Preliminary Victories McClain Gets Call For First Place.

Friday evening at seven o'clock the big fight for the south-central Ohio basketball championship will be on at Greenfield with eight strong teams, the pick of this section of the state cashing in four games.

Four games will open the tournament Friday evening: Buckskin vs. Waverly in the first contest; Washington High vs. Circleville in the second; Greenfield vs. New Vienna in the third; Chillicothe vs. Hillsboro in the fourth and last.

Greenfield goes into the tournament a big favorite; Circleville probably next and Washington High third. Buckskin very probably ranks with any of these three teams, but is not picked to win the big tourney although an easy winner of the class B championship.

Greenfield has defeated every team entered in the tournament, a record not to be overlooked. Greenfield defeated Hillsboro, 32 to 22; Chillicothe, 23 to 19; New Vienna, 56 to 16; Circleville, 36 to 21; Waverly, 49 to 6; and Washington High, 22 to 11.

Washington High, however, is the one team to boast a victory over the McClain squad and this is the one hope of the team backers that the Blue and White men will spring the big surprise in the end.

That Washington High is going to be the main object of attack by all the teams is shown by clippings taken from representative papers of the other schools. These clippings fairly exemplify the spirit manifested towards the local school by the seven other teams entered.

The Chillicothe News-Advertiser says:

Chillicothe is classed with the A teams and although the boys have been weakened in their lineup recently they expect to give their opponents a run for their money.

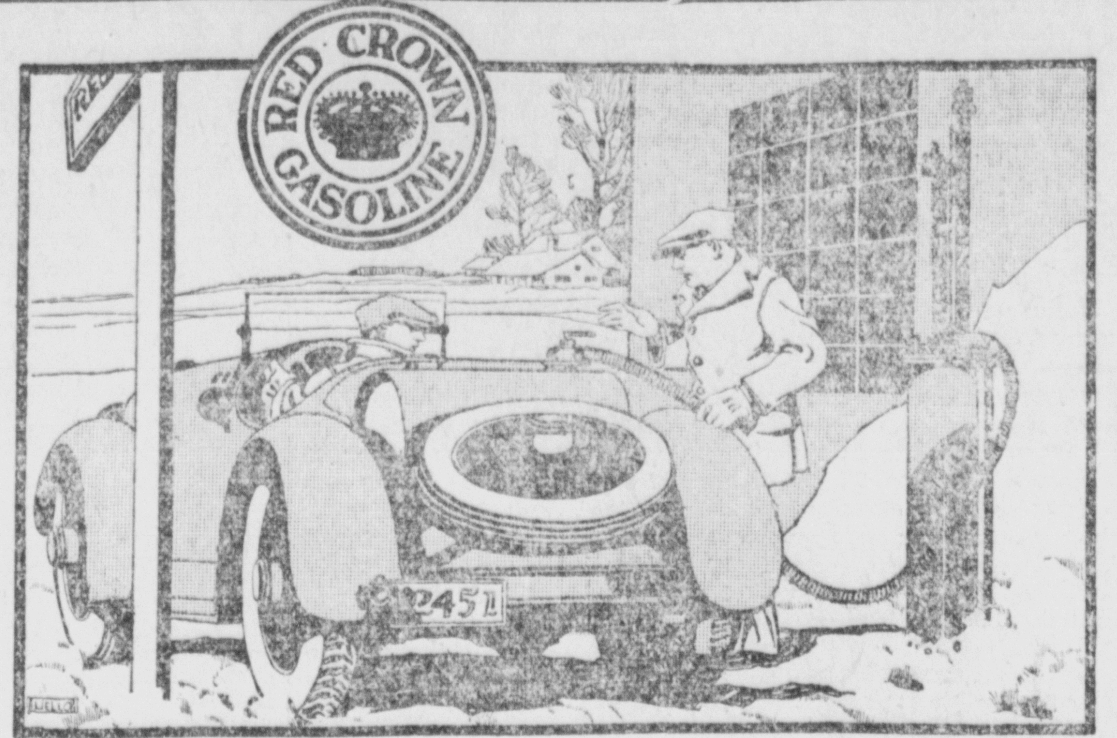

It will be recalled that Chillicothe defeated Circleville on their own floor, but that Washington C. H. defeated Chillicothe. Now comes the word that Circleville defeated Washington C. H. and the local lads are itching for a crack at the Washington bunch at the tournament in order to even up the tally, if possible. However Washington has a fast team and will put up some fight.

Circleville expects to eliminate Washington High in the first game according to the Circleville Herald.

Circleville has drawn Washington for a very good chance of getting into the finals. Washington secured the cup last year and if she gets this year's she will get to keep it. Greenfield is coming strong and it looks as though there will be a merry fight between Circleville, Greenfield and Washington. Washington only had one man out of the lineup when they played here last Friday and as he was not a star their team was not noticeably weakened and if they don't put up a better game at the "tournament" it will lay between Circleville and Greenfield for possession of the cup.

BROWN'S DRUG STORE

What to look for in Gasoline

The thing to look for in gasoline is a low initial boiling point.

Red Crown's low boiling point gives ready vaporization at low temperatures. You don't wait for the engine to warm up—it's ready. You start right—increased speed—go swiftly or slowly with equal power and certainty with Red Crown. Its uniformity gives steady, even vaporization.

Polarine, the friction-killing lubricant, works hand in glove with Red Crown. Keeps the engine's joints and bearings ready for quick starting and smooth running. Retains its fluidity in cold weather.

Polarine Cup Greases and Transmission Lubricants protect the bearings—save repair bills. Look for the Red Crown Sign on Service Stations and Garages.
